

Black Voters, White Narratives, and Saving Our Democracy

Uncovering the Hidden Narratives Shaping Electoral Politics

In her groundbreaking new book, acclaimed author Dr. Carol Anderson uncovers the hidden narratives that have shaped electoral politics in America for centuries. *Black Voters, White Narratives, and Saving Our Democracy* reveals how white supremacy has been used to disenfranchise Black voters and undermine their political power.

Anderson draws on a wealth of historical research to show how white narratives have been used to justify everything from slavery to voter suppression. She argues that these narratives have created a false dichotomy between Black voters and white voters, and that this dichotomy has been used to divide the electorate and prevent Black voters from fully participating in the democratic process.

Black Voters, White Narratives, and Saving Our Democracy is a must-read for anyone interested in the history of voting rights and the future of American democracy. Anderson's incisive analysis and clear prose make this book an essential contribution to the ongoing conversation about race and politics in America.

Praise for *Black Voters, White Narratives, and Saving Our Democracy*

"Carol Anderson has written a brilliant and timely book that exposes the hidden narratives that have shaped electoral politics in America for centuries. This book is a must-read for anyone who wants to understand the history of voting rights and the future of American democracy."

—**Ibram X. Kendi, author of *How to Be an Antiracist***

"Anderson's latest book is a tour de force that provides a much-needed historical perspective on the ongoing struggle for voting rights. This book is essential reading for anyone who wants to understand the challenges facing Black voters today."

—**Michelle Alexander, author of *The New Jim Crow***

"Carol Anderson is one of our most important public intellectuals. In *Black Voters, White Narratives, and Saving Our Democracy*, she provides a devastating indictment of the white supremacist narratives that have been used to disenfranchise Black voters. This book is a call to action for all who believe in democracy."

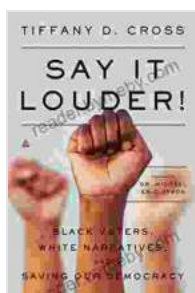

—**Van Jones, CNN commentator and author of *Beyond the Messy Truth***

About the Author

Carol Anderson is a professor of African American studies at Emory University. She is the author of several books, including *White Rage: The Unspoken Truth of Our Racial Divide* and *The Second: Race and Guns in a Fatally Unequal America*.
