The Random Tables Omnibus is a comprehensive collection of random tables for game masters, providing an endless source of inspiration and variety for your RPG campaigns. With over 1,000 tables covering everything from character creation to dungeon design, the Random Tables Omnibus has everything you need to create memorable and engaging RPG experiences.

## What's Inside the Random Tables Omnibus?

The Random Tables Omnibus is divided into eight chapters, each covering a different aspect of RPG gameplay. The chapters are:

- **Character Creation:** This chapter contains tables for generating character backgrounds, personalities, and motivations. It also includes

tables for creating unique and interesting NPCs.

- **Dungeon Design:** This chapter contains tables for generating dungeon layouts, traps, and treasures. It also includes tables for creating unique and memorable dungeon bosses.
- **Encounters:** This chapter contains tables for generating random encounters, both combat and non-combat. It also includes tables for creating unique and challenging encounters.
- **Plots and Quests:** This chapter contains tables for generating plot hooks, quests, and adventures. It also includes tables for creating unique and memorable NPCs.
- **Magic Items:** This chapter contains tables for generating random magic items, both common and rare. It also includes tables for creating unique and powerful artifacts.
- **Monsters:** This chapter contains tables for generating random monsters, both common and rare. It also includes tables for creating unique and challenging monster encounters.
- **Traps and Hazards:** This chapter contains tables for generating random traps and hazards. It also includes tables for creating unique and deadly traps.
- **Wilderness Exploration:** This chapter contains tables for generating random wilderness encounters, both combat and non-combat. It also includes tables for creating unique and memorable wilderness locations.

## How to Use the Random Tables Omnibus

The Random Tables Omnibus is a versatile tool that can be used in a variety of ways. You can use the tables to generate ideas for your own campaigns, or you can use them to add variety and spice to your existing campaigns. The tables can also be used to create unique and memorable NPCs, monsters, and magic items.

To use the Random Tables Omnibus, simply roll a die to determine which table you want to use. Then, roll a die again to determine the result. You can also use the tables to generate multiple results, which can be used to create more complex and detailed scenarios.

## **Benefits of the Random Tables Omnibus**

The Random Tables Omnibus offers a number of benefits for game masters, including:

- **Inspiration:** The Random Tables Omnibus can provide you with an endless source of inspiration for your RPG campaigns. With over 1,000 tables to choose from, you're sure to find something that sparks your imagination.
- **Variety:** The Random Tables Omnibus can help you add variety to your RPG campaigns. With so many different tables to choose from, you can create unique and memorable experiences for your players.
- **Time-saving:** The Random Tables Omnibus can save you time. Instead of spending hours brainstorming ideas for your campaign, you can simply roll a die and let the tables do the work for you.
- **Fun:** The Random Tables Omnibus is a fun and easy way to add excitement to your RPG campaigns. Your players will love the surprises that the tables provide.
