The book is divided into 20 chapters, each of which covers a different grammar point. The chapters are organized in a logical progression, so that learners can build on their knowledge as they progress through the book.

Each chapter includes:

- A clear and concise explanation of the grammar point
- Examples of how the grammar point is used in context
- Exercises to help learners practice using the grammar point

The book also includes a comprehensive index, which makes it easy for learners to find the information they need.

This book is an essential resource for any Japanese learner who wants to improve their English grammar. It is also a valuable resource for teachers of English as a foreign language.

### **Benefits of using this book**

- Learn English grammar quickly and easily
- Understand English grammar concepts in a clear and concise way
- Practice using English grammar in context
- Improve your English speaking, writing, and listening skills

### **Who is this book for?**
