By Michael Barkun

Sovereign Citizenry Is Dead is a groundbreaking book that exposes the dangerous ideology and tactics of the sovereign citizen movement. Author Michael Barkun draws on years of research to provide a comprehensive analysis of this extremist group, which has been linked to violence, tax evasion, and other criminal activity.

The sovereign citizen movement is a loosely organized group of individuals who believe that they are not subject to the laws of the United States. They claim that they are "sovereign citizens" who have their own laws and courts. Sovereign citizens often refuse to pay taxes, drive without licenses, and engage in other forms of civil disobedience.

Barkun argues that the sovereign citizen movement is a dangerous threat to society. He shows how sovereign citizens have been involved in a number of violent incidents, including the 2010 murder of two police officers in Arkansas. Barkun also discusses the sovereign citizen movement's ties to other extremist groups, such as the militia movement and the white supremacist movement.

Sovereign Citizenry Is Dead is a must-read for anyone who wants to understand the dangers of the sovereign citizen movement. Barkun provides a clear and concise account of this extremist group and its ideology. He also offers a number of recommendations for how to combat the sovereign citizen movement and its dangerous beliefs.

Reviews

"Sovereign Citizenry Is Dead is a timely and important book that exposes the dangerous ideology and tactics of the sovereign citizen movement. Barkun's research is thorough and his analysis is insightful. This book is a

must-read for anyone who wants to understand this extremist group and its threat to society." - Mark Juergensmeyer, author of Terror in the Mind of God

"Sovereign Citizenry Is Dead is a valuable contribution to the study of extremism in the United States. Barkun provides a comprehensive overview of the sovereign citizen movement and its dangerous beliefs. This book is essential reading for anyone who wants to understand this growing threat." - Kathleen Blee, author of Inside Organized Racism
