The investigation into JonBenét's murder quickly became one of the most high-profile and controversial in American history. The media descended upon Boulder, Colorado, and every detail of the case was scrutinized by the public.

Despite the intense media attention, the murder of JonBenét Ramsey remains unsolved to this day. The case has been the subject of countless books, articles, and documentaries, but no one has been able to definitively say who killed JonBenét.

In his new book, *Strangely Beloved*, Jonh Craft takes readers on a harrowing and unforgettable journey into the dark recesses of humanity. Craft provides a gripping account of the murder of JonBenét Ramsey and the subsequent investigation, drawing on exclusive interviews with key players in the case.

Strangely Beloved is more than just a true crime story. It is a psychological thriller that explores the darkest corners of the human mind. Craft delves into the motivations of the killers and the victims, and he paints a chilling portrait of a world where evil lurks just beneath the surface.

Strangely Beloved is a must-read for fans of true crime and psychological thrillers. It is a book that will stay with you long after you finish it. Craft has crafted a masterpiece of suspense and horror that will leave you questioning the nature of good and evil.
