

The Spectacular Rise and Fall of the Lawyer Who Brought Corporate America to Justice

Rodge Latham was a brilliant lawyer who rose to the top of his profession. He was known for his aggressive tactics and his relentless pursuit of justice. He was also known for his arrogance and his love of the limelight.

Circle of Greed: The Spectacular Rise and Fall of the Lawyer Who Brought Corporate America to Its Knees

Latham's career began in the 1980s, when he represented some of the most notorious white-collar criminals of the decade. He helped to convict Ivan Boesky, the junk bond king, and Michael Milken, the "junk bond king of Wall Street." Latham's success in these cases made him a national hero.

In the 1990s, Latham turned his attention to corporate America. He represented plaintiffs in a series of class-action lawsuits against some of the biggest companies in the country. He won billions of dollars in

settlements for his clients, and he became known as the "king of the class-action lawsuit."

Latham's success went to his head. He began to believe that he was above the law. He started to take on cases that he knew he could not win, just to make a name for himself. He also began to engage in unethical behavior, such as sleeping with his clients and using drugs.

Latham's fall began in 2005, when he was convicted of obstruction of justice. He was sentenced to two years in prison. He was disbarred from practicing law, and his reputation was ruined.

The Spectacular Rise and Fall of the Lawyer Who Brought Corporate America to Justice is a cautionary tale about the dangers of hubris. It is a story about a man who achieved great success but lost it all due to his own arrogance and greed.

The book is a fascinating and well-written account of Latham's life and career. It is a must-read for anyone who is interested in the world of law and business.

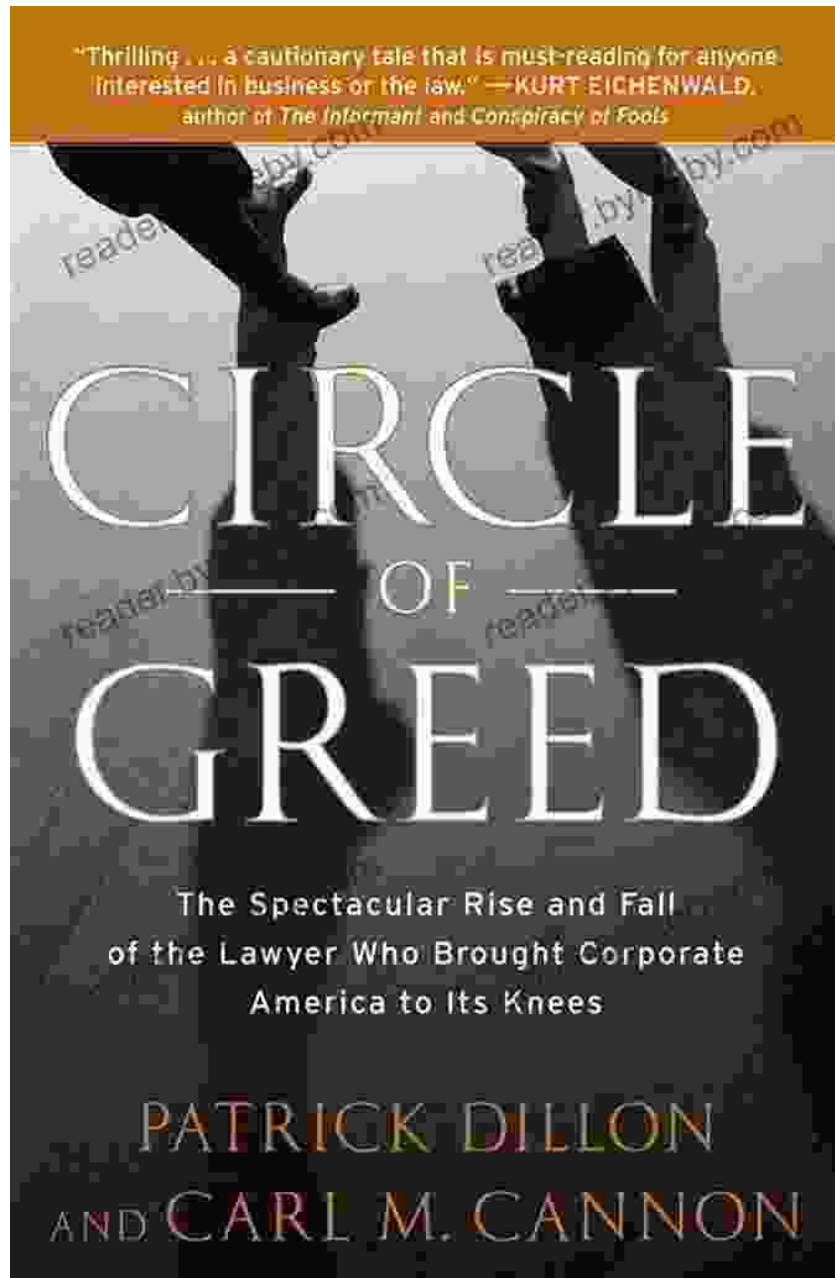

Reviews

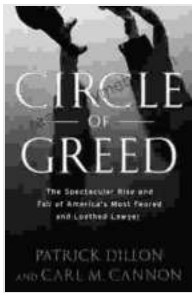

"A gripping tale of ambition, power, and redemption. The Spectacular Rise and Fall of the Lawyer Who Brought Corporate America to Justice is a must-read for anyone who wants to understand the dark side of the American legal system." - **The New York Times**

"A fascinating portrait of a complex and contradictory man. The Spectacular Rise and Fall of the Lawyer Who Brought Corporate America to Justice is a

cautionary tale about the dangers of hubris." - **The Washington Post**

"A tour de force. The Spectacular Rise and Fall of the Lawyer Who Brought Corporate America to Justice is a brilliant and devastating account of one man's rise and fall." - **The Wall Street Journal**
