The SSAT and ISEE are challenging exams, but with the right preparation, you can achieve your goals. Our Essential Vocabulary Review Flashcards for the SSAT/ISEE are the perfect tool to help you build the vocabulary skills you need to succeed.

- **Improve your vocabulary skills.** Our flashcards feature over 500 of the most commonly tested words on the SSAT and ISEE, so you can be sure that you are learning the words that will help you the most on test day.
- **Reinforce your understanding of words you already know.** Even if you already know some of the words on our flashcards, reviewing them regularly will help you to retain their meaning and usage.
- **Test yourself on your vocabulary skills.** Our flashcards are self-checking, so you can immediately see if you have answered correctly. This will help you to identify areas where you need more practice.
- **Track your progress as you study.** Our flashcards come with a tracking sheet so you can keep track of your progress as you study. This will help you to stay motivated and on track.

Our flashcards are designed to be portable and easy to use, so you can study anywhere, anytime. Here are a few tips for how to use them:

- **Start by going through the deck once to familiarize yourself with the words.** Make a note of any words that you do not know or that you need to review.
- **Review the cards regularly.** The best way to learn new vocabulary is to review it regularly. We recommend reviewing the cards at least once a day, for 10-15 minutes each time.
- **Test yourself periodically.** Once you have reviewed the cards a few times, start testing yourself on your vocabulary skills. You can do this by quizzing yourself on the words or by taking practice tests.
- **Track your progress.** Use the tracking sheet that comes with the flashcards to track your progress as you study. This will help you to stay motivated and on track.
