

Unlock Your IELTS Writing Prowess: A Comprehensive Guide to Excel in Both Academic and General Training Modules

5 TOP TIPS FOR EFFECTIVE EXAM REVISION
AS RECOMMENDED BY PREVIOUS UNIVERSITY STUDENTS!

1. START EARLY
Don't leave it to last minute! Start revising a couple of weeks before your exams to give your brain time to absorb.

2. PLAN YOUR TIME
Failing to prepare is preparing to fail, so plan wisely. Make a schedule to document what you will revise and when!

3. AVOID YOUR PHONE
Revision is tough, but looking at social media every ten minutes won't help you learn! Put your phone away so you can focus.

4. PRACTISE!
Athletes don't win gold without rigorous training, and neither will you! Actively practising (e.g. doing mock exams) can help re-inforce knowledge.

5. TAKE BREAKS
Your body needs rest in order to get stronger, and so does your brain! Be sure to take regular breaks during revision - your mind will thank you.

Good luck!
