Break the Mold: Explore Endless Possibilities

Say goodbye to the limitations of standard multiclassing rules. This comprehensive manual presents an array of variant multiclass options, each offering its own distinct flavor and benefits. Whether you seek to blend arcane magic with martial prowess, explore the enigmatic powers of psionics, or forge an unbreakable bond with your animal companion, the possibilities are endless.

Unleash Powerful Synergies

With variant multiclassing, you'll uncover hidden synergies between classes that were previously unimaginable. Combine the versatility of a rogue with the elemental mastery of a druid to become a deadly shapeshifter. Pair the raw power of a barbarian with the healing and support abilities of a cleric to create an unstoppable force of nature. The combinations are limitless, and the potential power is undeniable.

Customize to Your Heart's Content

The Pathfinder Manual of Variant Multiclassing goes beyond simply providing new options. It empowers you to tailor the multiclassing system to your specific campaign or play style. With customizable multiclass archetypes and feats, you can create characters that are perfectly suited to your vision.

Features That Will Ignite Your Imagination

- Over 20 variant multiclassing options, including the arcane trickster, the bloodrager, and the mystic theurge. - Expanded rules for multiclassing with gestalt characters, allowing for truly epic combinations of abilities. - New multiclass archetypes that provide focused and thematic character builds, such as the hexblade magus and the scaled fist unchained monk. - A comprehensive index that makes it easy to find exactly what you need to create your dream character.

Let Your Imagination Run Wild

Whether you're a seasoned Pathfinder veteran or a newcomer to the game, the Pathfinder Manual of Variant Multiclassing will revolutionize your role-playing experience. It's the ultimate tool for creating characters that are as unique and unforgettable as the adventures you embark on.
