By Paul Holes and Robin Gaby Fisher

Unmasked is the harrowing true story of a notorious serial killer and the cold case detective who finally brought him to justice. For decades, the Golden State Killer terrorized California, raping and murdering dozens of women. But thanks to the tireless efforts of Detective Paul Holes, the killer was finally identified and arrested in 2018.

In **Unmasked**, Holes takes us inside the investigation that led to the Golden State Killer's capture. He describes the painstaking work of collecting and analyzing DNA evidence, the relentless pursuit of leads, and the emotional toll the case took on him and his team. He also provides a

chilling portrait of the killer himself, a man who led a double life as a respected citizen and a brutal predator.

Unmasked is a gripping and unforgettable account of one of the most notorious crimes in American history. It is a testament to the power of perseverance and the importance of never giving up on justice.
