A Humble Beginning

Walter Elias Disney was born on December 5, 1901, in Chicago, Illinois. His parents, Elias and Flora, were poor immigrants who struggled to make ends meet. Walt had four siblings, and the family lived in a modest home.

From a young age, Walt showed a passion for art and drawing. He would spend hours sketching and creating his own cartoons. He was also a talented performer, and he loved to make his family laugh.

When Walt was 10, his family moved to Marceline, Missouri. It was here that he began to develop his love for nature and the outdoors. He would spend hours exploring the woods behind his house, and he would often draw the animals and plants that he saw.

The Birth of a Dream

In 1917, Walt's family moved to Kansas City. He enrolled in the Kansas City Art Institute, but he dropped out after only a few months. He felt that he could learn more by working on his own.

Walt began working as a commercial artist, and he quickly gained a reputation for his talent. He also started experimenting with animation. In 1923, he created his first animated film, "Alice's Wonderland."

"Alice's Wonderland" was a success, and it helped Walt to launch his career as an animator. He went on to create a series of successful animated films, including "Oswald the Lucky Rabbit" and "Mickey Mouse."

The Disney Empire

In 1926, Walt Disney and his brother Roy founded the Walt Disney Company. The company went on to become one of the most successful entertainment companies in the world.

Walt Disney was a visionary leader who had a gift for storytelling. He was also a brilliant marketer, and he knew how to appeal to audiences of all ages.

Under Walt's leadership, the Disney Company produced a string of classic animated films, including "Snow White and the Seven Dwarfs," "Cinderella," "Sleeping Beauty," and "The Jungle Book."

The Disney Company also created television shows, theme parks, and other entertainment ventures. Walt Disney was involved in every aspect of the company's operations, and he was known for his attention to detail and his insistence on quality.

A Lasting Legacy

Walt Disney died on December 15, 1966, at the age of 65. He left behind a legacy of entertainment and innovation that continues to inspire people

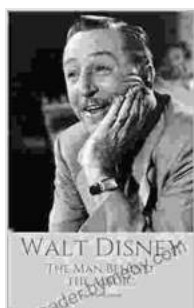

around the world.

Walt Disney's films have been translated into more than 100 languages, and they have been seen by billions of people. His theme parks are some of the most popular tourist destinations in the world. And his characters have become icons of American culture.

Walt Disney was a visionary who changed the world of entertainment. He was a gifted artist, a brilliant marketer, and a beloved icon. His legacy will continue to inspire people for generations to come.

Walt Disney was a true pioneer who changed the world of animation and entertainment. He was a visionary who saw the potential of animation to entertain and inspire people of all ages.

His films, theme parks, and other ventures have left a lasting impact on popular culture. And his legacy will continue to inspire people for generations to come.
