The answer, according to Dale Carnegie, is personal magnetism. Personal magnetism is the ability to attract others to you, to make them want to be around you, and to trust you. It's a powerful force that can help you achieve success in all areas of your life.

In his book, *Why Some People Have It And Others Don't*, Carnegie reveals the secrets of personal magnetism. He shows readers how to develop the qualities that make people irresistibly attractive, including:

- Charm
- Charisma
- Confidence
- Empathy
- Sincerity

Carnegie provides real-life examples and practical exercises to help readers develop these qualities. He shows readers how to:

- Make a good first impression
- Build rapport with others
- Influence people
- Motivate others
- Resolve conflict

Why Some People Have It And Others Don't is a must-read for anyone who wants to improve their personal magnetism. It's a practical, step-by-step guide to becoming the kind of person that everyone wants to be around.
